West would be anything west of the West Busway.

We also have Oakland and the Hill District, which is just as it sounds. That would cover Oakland and the Hill District.

We also have a zone that is a utility zone. That zone is basically the -- the entire -- all the zones combined. You can travel anywhere within those zones.

Q. Thank you. And I'm going to ask you just to kind of lay out what happened that day, and then I'll be interrupting with questions. But I think in your report you and Hampy are on patrol, and then you notice something on the Linear Trail.

So can you kind of take it from there, please?

- A. Sure. We were traveling outbound on the East Busway at approximately 3:30 that day. While traveling outbound, we observed two individuals on the trail. It appeared when they saw our marked police unit, they ducked down behind a divider wall between the East Busway and the Linear Trail as we approached and passed.
- Q. And do you remember kind of roughly what time in your shift that happened, that you noticed these two individuals?
 - A. It was around 3:30 p.m.
- Q. Okay. And can you give me an identity or description -- a description of the two individuals you saw?
 - A. I don't recall.

Thomas Adams - Examination by Mr. Geary

	. 13
1	Q. Okay. And you say you saw them duck down?
2	A. Yes.
3	Q. Okay. So when when you're driving you saw
4	them when you're in your unit. Is that correct?
5	A. Yes, a marked police unit.
6	Q. Okay. Were you driving or Officer Hampy?
7	A. I don't recall that, sir.
8	Q. Okay. And what was it about the two individuals
9	that got your attention?
10	A. They ducked down behind the sound wall as our marked
11	police unit was approaching, which is, in my training and
12	experience as a police officer, suspicious in nature.
13	Q. Okay. And were they male? Female?
14	A. I I don't recall, sir.
15	Q. And what about race? Do you any do you know
16	what their race was?
17	A. I don't recall. We saw them at a distance.
18	Q. Okay. And so in response to them ducking down, what
19	did you do, please?
20	A. We traveled outbound on the busway to Hamnett
21	Station. We turned our marked patrol unit around, parked at
22	at an access point on the busway, notified dispatch that we
23	would be conducting a park-and-walk up the Linear Trail.
24	Q. And I think I I know, but what's a park-and-walk?
25	A. It's where you park your vehicle, exit the vehicle,

Thomas Adams - Examination by Mr. Geary

	•	30
1	Q.	Okay. Did you have any get any impression that
2	this perso	n had some mental health issues?
3	Α.	No.
4	Q.	Do you tell him to let go of the gazebo, in whatever
5	words you	used?
6	A.	At this point, I'm I'm advising him verbally that
7	he's under	arrest and to place his hands behind his back. He's
8	not comply	ring with any of those orders that I'm giving him.
9	Q.	Okay. So what did you decide to do then?
.0	Α.	At that point, around that general time frame
.1	based upor	n him assaulting me, being noncompliant and combative,
L2	around tha	at time is when I elected to deploy a burst of OC
١3	spray.	
14	Q.	And is OC spray considered, on the continuum of
15	force, a	use of force?
16	A.	Yes.
17	Q.	Okay. And did you deploy the OC spray?
18	A.	Yes.
19	Q.	And tell me, when you deploy OC spray, in that time
20	period, i	n your training, what are you aiming for with the
21	spray?	
22	A.	His facial area.
23	Q.	And specifically his eyes?
24	A.	Facial area, sir.
25	Q.	Okay. And if the deployment of the OC spray is

effective, how -- what is it supposed to do to the suspect?

- A. It's supposed to blur their vision. It's supposed to make their -- some of their -- their nose to begin to run, begin to make them cough and have effects of like the oleoresin capsicum that's inside of it to allow -- allow them to become more compliant with -- with an officer.
- Q. Okay. Sorry. You just used maybe some fancy words there. Resin. Captimum -- capti-something. I didn't catch that.
- A. OC spray. Oleoresin capsicum spray is the terminology for the spray.
- Q. Okay. Is it -- does the OC spray have the effect of burning their eyes?
- A. I can only go off of my experience. When I was pepper sprayed, it burned my eyes. I can't go off of what it would do to somebody else, sir.
- Q. Understood. And so when you deploy the OC spray, are you trained -- say, you do that in, say, two bursts or one or -- what was your training? How were you taught to deploy it?
 - A. I was taught to deploy it in one short burst.
- Q. Okay. And then is that aimed at his face, then? Is that what the training is? You aim at their face?
 - A. The facial area, yes.
 - Q. Okay. And so you deployed the OC spray. And how

was his body positioned when you deployed that?

- A. I was able to get my arm around towards his facial area and deploy the spray at that point. I was kind of positioned to the right side of him.
 - O. Was his back still to you?
 - A. I was on the right side of his body at this point.
- Q. Okay. Was he still holding the gazebo with his right arm?
- A. It was either at that moment or just after when he broke free from the gazebo. I don't recall the exact moment.
- Q. And there's reference in your report to a large gust of wind. Tell me what happened after you deploy the OC spray.
- A. I was very close to him when I deployed -- deployed the OC spray. Very close in proximity to him. When I deployed the OC spray, some of the -- some of the OC spray either bounced off of him or some of the vapors also got on my facial area and my hand.
- Q. And what effect did that have on you when it got in your facial area?
- A. Just a burning sensation, an uncomfortable sensation.
- Q. And did that distract you even, say, temporarily from what you were trying to accomplish?
 - A. No.
 - Q. Okay. What does he do then at that point?

- A. In my opinion, it didn't have any effect on him. He kind of pushed his arm up, it appeared, to try to wipe some of the OC spray off. And at that point is when he he broke free from us and began to walk around the back of his -- towards -- around the gazebo, closest to the Linear Trail on the back side.
- Q. And so he was walking away from you and Officer Hampy at that point. Is that true?
- A. I -- I don't know where -- I can't say to what -- where he was going. I can just say that he was walking around the gazebo, you know, to the left. To the left, I should say.
 - Q. But he's walking away from you. Is that true?
 - A. Yes. Yes.

- Q. Okay. And then do you and Officer Hampy then deal with Bruce, Sr., for a little while, or do you proceed after Bruce Kelley, Jr., at that moment?
- A. I stayed with Bruce Kelley, Jr. I don't know -- I can't speak for what Officer Hampy was doing at that moment.
- Q. Okay. Understood. Tell me what you do then, as Bruce, Jr., is walking away from you.
- A. As he is walking away, attempting to flee from me, I attempted to get him down onto the ground to -- to put him into handcuffs at that point.
- Q. And do you notice, are there any other civilians around in --

44 Q. Does -- the contact between Adams and Kelley, Jr., does it occur in the gazebo or outside of the gazebo? 2 Α. In the gazebo. 3 Okay. And when you saw the contact, you yourself 4 Ο. 5 were in the -- standing in the gazebo. Is that correct? 6 Α. Yes. 7 Ο. Okay. What happens next, please? 8 Α. I am referring to my report. Like I said, I began 9 to help assist Officer Adams place handcuffs on Bruce Kelley, Jr., and giving him multiple verbal commands to comply. 10 11 Q. And what were the verbal commands? Like what were 12 you actually saying to Bruce, Jr.? 13 Α. We were letting him know that he was under arrest 14 and that we were going to put handcuffs on him. 15 Q. And was he saying anything in response? At that exact moment, no. 16 A. 17 Q. Did he try to punch you at that point in time? 18 Kelley, Jr. 19 Α. At that time, he wrapped his arm around the gazebo. 20 Ο. Okay. And in your report at 20, the first paragraph, closer to the bottom, it said "Kelley, Jr., bear 21 22 hugged the gazebo with his right arm and would not release 23 himself from the gazebo." Did I read that correctly? 24 A. Yes. 25 Q. And are those your words?

Emily (Hampy) Niebel - Examination by Mr. Geary

	45
	A. Yes.
	Q. Then it says "Myself and Officer Adams continued to
	give multiple verbal commands to comply and release himself
	from the gazebo and that he was under arrest, however, he did
	not comply." What was your thought process when he's when
(he's hugging bear hugging the gazebo?
	A. That he was attempting to resist arrest.
{	Q. Okay. Did that was that peculiar or odd to you
9	
10	A. No.
11	Q. Did it give you any impression he may have mental
12	
13	A. No.
14	Q. Or that he was, say, mentally slow?
15	A. No.
16	Q. Okay. So when he's bear hugging the gazebo, his
17	
18	A. Correct.
19	Q. And his back is to Officer Adams. Is that right?
20	A. Correct.
21	Q. Are there any civilians in the area now?
22	A. Not from my viewpoint.
23	Q. Okay. And your report says you're giving him verbal
24	commands to comply, and I get that. What what were you
25	actually saying to him?

15 MR. GEARY: I think the witness said "the Wood Street gazebo." 2 BY MR. GEARY: 3 Is that --Q. 4 Α. Yes. 5 Q. Just -- the stenographer just didn't hear the last 6 7 part of your sentence. Is that correct? The Wood Street 8 qazebo? Α. Yes. 9 Thank you. Now, when you heard Adams, did you hear 10 11 him on, say, your own personal radio, which is, say, a mike on 12 your shoulder? L3 Α. Yes. 14 Q. Okay. And at that time, did the Port Authority have 15 its own dispatcher? Α. Yes. And I assume the dispatcher worked in the police 18 station for the Port Authority. Is that correct? Α. Yes. Q. Okay. Now, what was the -- what do you recall was the nature of Adams' communication? He called out with a group consuming alcohol within Α. the Wood Street gazebo. Q. And did he initially ask for others to respond, or did he just communicate what he was doing?

Andrew Kaupinis - Examination by Mr. Geary 17 multiple reasons why we're using the radio. 1 2 Thank you. So initially, was Adams asking for Ο. backup? 3 Initially. Α. 4 Initially, no. Okay. And then please just -- we're going to have 5 0. to walk through the whole episode. So please tell me what 6 happened next or what you heard or what you did. 7 That's when I started out -- I started -- I got to 8 Α. I started going towards that direction. He called a 9 Code 1 response, which means no lights, no sirens. 10 While I was en route, he called out a Code 2. 11 That would be they were resisting with the officers. 12 And then before I even got to the scene, he was 13 calling a Code 3. 14 15 Ο. And Code 1 means what? 16 Code 1 is just a -- I'm responding to the area, but 17 I'm not going lights; I'm not going sirens. I'm just going at a normal -- normal speed, following the traffic laws. 18 19 And so when you initially left the station to go Q. there in your patrol unit, had he not requested for backup yet? 20 21 Α. When I asked him if he was -- his code status, I 22 can't recall if he -- I can't recall his response at this time. 23 And what is the Code 2, please? Q. 24 Code 2 is lights and sirens. It's a -- a fast Α.

response.

- A. Adams was, I would assume, 60 to 70 feet away from Bruce Kelley, Jr. Sorry. And he was following him.
- MR. EVASHAVIK: Let me give an instruction to the witness, Noah. And I know you agree on this. We don't want the witness to guess or assume anything.
- If you don't know something, that's fine. Tell us that. If you have a reasonable idea and you think you do know, then we want that answer.
 - Do you agree with that, Noah?
- MR. GEARY: Sure.
- MR. EVASHAVIK: Okay. He said he assumed something.
- 12 That's why I said that.

- Q. Where was Adams? Was he directly behind Kelly or off to the side? I know he's a distance away from Kelley.
- Where was he as far as -- directly behind him? To the side?
- 17 As far as your field of view.
- A. I was able to see him, so that would make him to the side.
- Q. And did you see Hampy as well?
- 21 A. Yes.
- Q. And then did you say you saw Bruce Kelley, Jr., had a knife?
- 24 A. Yes.
- Q. Which hand did he have a knife in?

Ross Reporting Service 724-695-3911

Γ		24
1	Α.	His right hand.
2	Q.	And at that point in time when you first saw the
3	knife, can	you describe what the what the color was?
4	Α.	I I don't recall what the color was.
5	Q.	What about, say, the size of the knife, the length
6	of the bla	de, when you first say you noticed a knife?
7	A.	I noticed it was a a utility blade.
8	Q.	And just so I know, what does "utility blade" mean
9	as far as	length?
10	Α.	Maybe a 6 a 6-inch handle with a blade coming
11	out about	an inch or two.
12	Q.	A blade coming out about an inch or two. Is that
13	correct?	
14	A.	Yes.
15	Q.	Did Adams have his gun out of his holster?
16	A.	I don't remember seeing it.
17	Q.	At that point in time, did Hampy have her gun out of
18	her holst	er?
19	A.	I don't recall.
20	Q.	Thank you. So what happens then? You see him.
21	He's walk	ing in your direction. It seems like you've described
22	you're wa	lking in his direction. You have two officers with

2	Α.	Yes.
3	Q.	And, again, at that point in time, is Adams behind
4	Kelley, Jr	., following him?
5	A.	Yes.
6	Q.	Okay. As far as cross-fire, were you the only
7	officer wi	th their weapon drawn at that point?
8	A.	I don't know if the officers behind me had their
9	weapons ou	t, and I don't know about if Adams or Hampy had
10	their weap	ons out either.
11	Q.	Okay. Did you ask any questions when you arrived on
12	scene, ove	r the radio, as to what exactly had happened at the
13	gazebo?	
14	A.	I don't recall asking any questions.
15	Q.	Did Adams say anything over the radio or even just
16	shouting t	to you as to what happened at the gazebo?
17	A.	Well, he was calling Code 3 into the radio. He was
18	calling th	nat they were fighting with individuals and that one
19	had a knii	fe.
20		THE REPORTER: I didn't hear the very end. "The

22		THE WITNESS: One had a knife.

Did -- did you learn anything at that 0. 4 5 point in time so far in this scenario that Bruce Kelley, Jr., had been hugging the gazebo? 6 7 Α. No. I don't recall that. So when there's mention of possible cross-fire, 8 Ο. 9 "Watch out for cross-fire," did you give any commands or give 10 any response over the radio or even shouting to the other officers for officer safety? 11 I had sidestepped to my right as to more get an 12 Α. angle that I was aiming my firearm only at Bruce Kelley, Jr. 13 Whereas, if I were -- if I had fired and missed, I wouldn't put 14 15 the other officers in the line of fire. And then what did Bruce Kelley, Jr., do? 16 0. 17 He made a left-hand turn and walked into a small Α. 18 wooded area towards the fence line, which there was a hole in 19 the fence that he had gone through. 20 That he had gone through? Q. 21 Α. Yes. 22 0. Okay. So when he makes a left-hand turn, is that in 23 front of you? 24 Α. Yes. 25 So he didn't pass you and then make a Q. Okay.

2	prepared shortly after the occurrence that may refresh his
3	memory on that, but he hasn't asked to look at it during this
4	line of questioning, just for the record.
5	MR. GEARY: Sure. Yeah. We're going to get to the
6	report in a couple minutes.
7	BY MR. GEARY:
8	Q. Just did you just so the stenographer heard,
9	Officer, you just mentioned something. The Hamnett Street
.0	Station?
.1	A. He came out of between some houses through an
2	alleyway onto Center Avenue by the Hamnett Park and Ride lot.
L3	Q. The Hamnett Park and Ride lot. Thank you.
L4	Now, do you see other officers now in your field of
L5	view who have responded?
16	A. Yes.
17	Q. And how many officers do you see besides the
18	officers we've already talked about?
19	A. I would say maybe ten.
20	Q. Okay. So, say, including the five, including
21	yourself you, Hampy, being the five being you, Hampy,
22	Adams, and the two original responders from the other
23	jurisdictions, that's five. But, say, there are about, say,
24	ten additional officers now?
25	A. I would say ten in total.

35 Okay. And what do you see happen next, as far as Q. what Bruce Kelley, Jr., does or any officer? Bruce Kelley, Jr., walked towards the Hamnett Park Α. As he was getting into the lot, I attempted to OC spray him without effect. The wind took it away, so it did not hit him. He continued to walk away at that point. Officer Sanders then approached him with his ASP baton out, trying to strike him. Bruce Kelley, Jr., then turned around and took a swing with his knife in his right hand at Officer Sanders, turned around again, and continued to walk away. You -- would the word be "deployed" your OC spray, Q. or what would the word be? You used it? What would the word be? Α. Deployed. Q. And what was -- generally, what's the purpose of 17 deploying the OC spray? When you get hit with the OC spray, it narrows the Α. 19 It causes a heat sensation to try to interact with the 20 vision, to get you off your equilibrium. 21 Q. And so are you aiming specifically for the person's 22 eyes? 23 Α. Yes. 24 Q. And let's go to the timeline, because I think 25 maybe there's a still shot that captures you using the

š		
	,	40
1	spray succes	ssful?
2	Α. 1	No.
3	Q. A	And why not?
4	Α	When I sprayed it, I could see the spray moving with
5	the wind awa	ay from Bruce Kelley, Jr.
6	Q.	And I've never dealt with mace or anything like
7	that. I mea	an, when you spray it, is it visible? The spray?
8	A.	It's an orange aerosol spray, yes.
9	Q.	Okay. Was it do you recall, was it a windy day,
10	an especial	ly windy day?
11	Α.	I don't recall it being very windy, no.
12	Q.	And in your training to deploy the OC spray, are you
13	trained tha	t you should be, say, a certain distance from a
14	person? Yo	ou should be say, 3 feet away is optimum or 6 feet
15	or 1 feet?	How are you how are you trained on that?
16	A.	Usually, the training says up to 15 feet. Up to 15
17	feet, the (OC spray is most effective.
18	Q.	In your deployment of the OC spray at that time, do
19	you think	it was even partially successful? Do you think you
20	did get so	me spray in his eyes?
21	A.	No.
22	Q.	If you could go to the next page, sir, of our
23	timeline.	Do you have another photo there?
24	A.	Yes.
25	Q.	Okay. Please describe or identify who the officers

102 have, Noah. Did you have anything with this video? 1 2 MR. GEARY: Just -- I think I have four total 3 questions left. Two are on the video. 4 EXAMINATION 5 BY MR. GEARY: Just leaving the video as is for the moment, Ο. 6 Officer, when you say the OC spray had no effect on Kelley when 7 you tried to spray him there when he fell over the fence, when 8 you say it had no effect, are you suggesting that you did spray 9 10 him in the eyes successfully? Α. 11 On the second or first attempt? Right here that's on the screen. By the -- when 12 he's going over the fence, right after the fence. 13 14 I hit him in the back -- in the back of the head, and I don't -- I don't know if it made contact with his eyes. 15 16 MR. GEARY: And could we please, Greg, just go back to the -- it's Sanders -- Sanders is approaching Kelley, Jr. 17 18 Thank you. 19 And as it's playing, Officer, it's going to get to the -- we're slowing it down. I appreciate that. And you're 20 21 saying that Kelley swung the knife at Sanders? 22 Α. Yes. 23 I don't agree with your characterization, but it Q. 24 will speak for itself. Be that as it may, when you claim 25

Kelley is swinging the knife at Sanders, how many feet would

45 1 It was kind of a laq. 0. Okay. 2 The sentence at paragraph 2, the last sentence, "I shouted, 'Police, drop the weapon' multiple times 3 with no compliance, with Kelley, Jr., continuing to advance 4 toward the assisting officers and I." 5 Α. 6 Yes. As far as the chronology in your report, you're 7 Q. talking about the point in time on the busway before Kelley 8 makes a left to go through the hole in the fence. 9 10 correct? 11 Α. Yes. On the Linear Trail. Before. Thank you. Now, when it says in your report there, 12 Q. second paragraph, last sentence, "...with Kelley, Jr., 13 continuing to advance toward the assisting officers and I," 14 when you say he's advancing towards you, he's walking in your 15 16 direction. Is that correct? 17 Α. Correct. Did he at any point in time -- at that juncture, did 18 Q. 19 he threaten you verbally with violence? 20 Α. No. 21 Did he make any movements towards you? Instead of Q. making a left to go through the hole in the fence, did he start 22 coming towards you? Make any movements actually towards you? 23 24 He was walking towards me, then made the left. Α. 25 And if he had not made the left and kept Q.

A. No.

- Q. And he didn't take the knife and swing it at you or anything like that?
 - A. No.
- Q. Now -- thank you. Back to your report. In paragraph 3, there's reference -- kind of in the middle, it says "Kelley, Jr., continued fleeing from police, ignoring commands to stop and drop the weapon. Kelley, Jr., fled through a yard." So when you're using the words in your report "fleeing" and "fled," just so we're clear, at all times he was walking. Is that correct?
 - A. Yes.
- Q. Okay. If we could go to the fourth paragraph of your report, please. It says "Kelley, Jr., then entered the Hamnett Park and Ride lot. At this time, Officer Sanders attempted strike [sic] Kelley, Jr., with his ASP, but when close, Kelley, Jr., turned toward officers and took a fighting stance. Kelley, Jr., then turned and fled toward a fence line leading to the yards of residences on Whitney Avenue." Now, I want to focus there. First of all, what is an ASP?
 - A. It's a collapsible baton.
- Q. Okay. And did you actually see Sanders try to strike Kelley with the ASP?
 - A. Yes.
 - Q. Where on Kelley's body did it appear that Sanders

Andrew Kaupinis - Examination by Mr. Geary 54 officers are walking behind him. Do you see the fence is 1 coming up? 2 Yes. Α. 3 Okay. Did you at any time attempt to, say, push him Ο. 4 very, very forcefully from behind? At any point in time, did 5 you do that? 6 Α. No. 7 Was that considered by you as perhaps a way where Ο. 8 you could cause him to fall forward, trip, and then maybe be on 9 the ground and then a bunch of you jump on him? 10 I didn't think of it at the time, no. Α. 11 Did any of the officers, as you're walking behind 0. 12 him, mention that, say, tactic to subdue him, pushing him very 13 forcefully from behind? 14 Not that I know of. 15 Α. Okay. That could have been done, though, as far as 16 Ο. you were close enough to push him from behind. Correct? 17 18 MR. EVASHAVIK: Object to form. BY MR. GEARY: 19 20 You can answer. Ο. I would say -- I would say it could have been 21 Α. 22 possible. Okay. Just so you know, I think we're done with the 23 0.

Okay. Let's just pick up with your testimony.

Ross Reporting Service 724-695-3911

- We'll refer to your report in a little bit. What do you do then? He goes over the -- he goes over the fence. He falls, but he gets up. What do you see him do?
- A. From that point, he walked towards the front of the residence that he was in the backyard of. And I climbed over the fence and began to follow him as well.
- Q. Now, you had your gun out of its holster before you climbed the fence. Is that correct?
 - A. Yes.

- Q. Did you holster your weapon as you were climbing the fence?
 - A. Yes.
- Q. Okay. And then when you climbed the fence, did you pull your weapon out of its holster again?
 - A. Yes.
- Q. Thank you. And then you see him walking through some backyards?
- A. It was from the backyard of -- that was fenced in, towards the front of that house.
- Q. Okay. Were there any civilians in that backyard or side yard?
 - A. No.
- Q. Okay. Were you the closest officer to him physically as far as there -- in the photos, there's officers to your left, to your right at various points. There's some

happened. In the four years that you were with the Port Authority, up until that point in time, had you ever cited anyone with an open container violation?

- A. Yes.
- Q. Okay. Did you also have instances where you exercised your discretion and did not issue the citation because the person was compliant or, otherwise, you just said "Get rid of it" and they did, and then you just didn't issue the citation?
 - A. Yes.
- Q. Now, and I don't -- I don't intend at any time to put words in your mouth. So I want to get to the point where Kelley is in front of the house right before O'Malley releases the dog. Okay?
 - A. Okay.
- Q. And you described before we took a little break where you were situated. And where was O'Malley situated with the dog?
 - A. In the -- in the street, Whitney Avenue.
- Q. Was there another officer there with a K-9? Did DiPippa have a dog there named Arko?
- A. Arko was still in the vehicle. He didn't take Arko out of the vehicle.
- Q. Okay. So there was -- there was just reference in one report. It was a little vague. I didn't know if I was

		65
1	misreading	it, but so there was a second K-9 unit there. Is
2	that right	?
3	Α.	Yes.
4	Q.	And the unit was DiPippa and Arko?
5	A.	Yes.
6	Q.	But Arko remained in Arko's vehicle. Is that right?
7	A.	Yes.
8	Q.	Okay. Now, where is Bruce Kelley right before
9	O'Malley h	as the dog and starts issuing commands to Kelley?
10	A.	He is on the sidewalk, still walking towards the
11	busway.	
12	Q.	Okay. And how far away, in feet, is O'Malley from
13	Kelley?	
14	Α.	I can't say.
15	Q.	Can you give me an estimate?
16	Α.	I would estimate 35 feet.
17	Q.	And you said O'Malley, he was in the standing in
18	the street	?
19	Α.	Yes.
20	Q.	And Kelley is at that point walking on the sidewalk?
21	Α.	Yes.
22	Q.	Okay. Where was Ravotti positioned at that point in
23	time?	
24	A.	Behind Kelley, Jr., and in front of me.
25	Q.	And when you say no. I understand. I

manillis.

	,	66
1	understand	
2		And then so when O'Malley is issuing commands to
3	Bruce Kell	ey, what was he saying?
4	Α.	"Stop. Police. Drop the weapon or I'll release the
5	K-9."	
6	Q.	And is he
7	A.	I'm not sure
8	Q.	I'm sorry.
9	A.	I'm sorry. I'm not sure of their exact verbiage of
10	how they g	ive the commands.
11	Q.	Were other officers shouting commands to Kelley?
12	A.	Yes.
13	Q.	Were you shouting or giving verbal commands to
14	Kelley as	well?
15	Α.	I was still yelling at him to drop the weapon.
16	Q.	And were other officers besides you and O'Malley
17	doing the	same?
18	, A .	Yes.
19	Q.	And this is near the busway. Is that correct?
20	Α.	Yes.
21	Q.	And was there cars or buses, traffic, going along
22	along the	busway?
23	A.	I don't recall.
24	Q.	And tell me what Kelley does after at some point,
25	he's walki	ng along the sidewalk. Where does he go?

. 67
A. When O'Malley starts giving him the commands to stop
or he'll release the dog, Kelly turns towards the house that
was directly in front of I'm sorry directly to his left
and walked into that front yard.
Q. Okay. Were there any civilians in that yard?
A. No.
Q. Were there any civilians in the yard next to Kelley?
A. No.
Q. Now, at that point in time, are all the officers who
responded to this to your knowledge, are they in the front
of the house?
A. Yes.
Q. Okay. Are there any officers in the back of the
house?
A. Not that I'm aware of.
Q. And so Bruce Kelley, he has his back to O'Malley,
and he's walking towards the house. Is that correct?
A. Yes.
Q. And that's when O'Malley is giving the commands. Is
that right?
A. He was giving the commands. And then Bruce Kelley,
Jr., turned and walked towards the front of the house.
Q. I'm sorry. It just it trailed off.
A. Before before Bruce Kelley, Jr., turned, Officer
O'Malley was giving him the commands to stop, giving the K-9

1	Q.	Thank you. What what do you see the dog do?
2	A.	Aren had bit Bruce Kelley, Jr., on his left arm.
3	Q.	Now, was Kelley still holding the knife at that

5	Α.	Yes.
6	Q.	In which hand?
7	Α.	Right hand.
8	Q.	Now, as the dog is going towards Bruce Kelley, was
9	Bruce Kell	ey's back still to the dog?
10	Α.	Yes.
11	Q.	And please tell me as precisely as you can what you
12	see the do	og did. Does he bite the back of the arm or the front
13	of the arm	1?
14	Α.	He bites the back of the arm. I believe it was
15	between	right around the elbow.
16	Q.	And when he bites that, the way Kelley's body is
17	positioned	d, was his body still positioned with his back to
18	O'Malley a	and the dog?
19	Α.	As Aren got on the bite, it pulled Kelley down

22	Q.	And you saw Kelley stab Aren multiple times?
23	A.	Yes.
24	Q.	Where on Aren's body?
25	Α.	The head and face area.

79 evidence stayed in the place where it was. And what was the evidence that was being secured? 2 Q. The knife. Officer O'Malley's leash for K-9 Aren Α. 3 was dropped in the street. No. 10 Did you have Tasers that had a video footage, video 11 Ο. surveillance component to them? 12 13 Α. No. 14 Ο. Now, you deployed the OC spray at two different 15 points. Is that correct? 16 Α. Yes. 17 0. And is that considered a use of force? 18 Α. Yes. 19 Did you fill out use of force forms? 0. 20 Α. No. 21 0. And why not? 22 Α. I believe that's handled by our supervisors. And who was your -- who were your supervisors? Q. O'Malley was the supervisor that day. And I can't Α. 25 recall if -- at the time, DiPippa might have been a sergeant as

5 1 SERGEANT BRIAN O'MALLEY: So I was working as the 2 sergeant of the PM shift, which goes from 1400 to 2200. 3 About 3:30 on the same date, Officer Adams and 4 Officer Hampy called out with two suspects right on the Linear 5 Trail in -- in Wilkinsburg, in between Wilkinsburg Station and 6 Hamnett Station. They were on a foot patrol. 7 Myself and Sergeant DiPippa started out to back them 8 up per their request. I believe it was Officer Adams asked for 9 other units to start out to -- to their location. So we --10 DETECTIVE JAMES GRILL: Were you -- were you in the 11 same vehicle? 12 SERGEANT BRIAN O'MALLEY: No. I'm sorry. We -- we 13 were in separate vehicles. 14 DETECTIVE JAMES GRILL: Okay. 15 SERGEANT BRIAN O'MALLEY: So we started out. 16 was in front of me. I was behind him. We were about halfway 17 there, and Tommy Ad- -- Tom calls Code 2, which is a more rapid 18 response. And he stated that they were starting to fight with 19 one of the -- one of the suspects. Again, we continue out. 20 Now we're going lights and sirens. 21 And somewhere before us getting out, Tommy says that 22 the suspect has a knife and that there was a fight going on. 23 So we now go -- we're getting close. And Tommy 24 says -- Officer Adams says the suspect now is running from the 25 scene on the Linear Trail into Wilkinsburg. So --

1 DETECTIVE JAMES GRILL: On the radio, is that Hampy? 2 Which one puts out that --SERGEANT BRIAN O'MALLEY: That's Tom. Officer 3 4 Adams. 5 DETECTIVE JAMES GRILL: Adams? 6 SERGEANT BRIAN O'MALLEY: Adams, yeah. Adams says 7 he's running from the scene. The suspect is running from the 8 And he said he's going toward -- on the Linear Trail scene. 9 into Wilkinsburg. We just clarified because he's in 10 Wilkinsburg. So we just need to know, like, eastbound or 11 westbound, inbound or outbound. He says he's going outbound, 12 which would mean on the trail now towards Hamnett Station. 13 So that's where I went, and that's where Sergeant DiPippa went. We -- we pull into Wilkinsburg Station. I get 14 15 out of the car. I jump over the wall and start running now 16 inbound on the same Linear Trail. And I get about -- kind of 17 halfway up the trail, and I could see the suspect from a 18 distance. This was -- it was far. 19 DETECTIVE JAMES GRILL: Who were you with at that 20 point? SERGEANT BRIAN O'MALLEY: Well, I was running. 21 And 22 Rob was kind of -- we were right by each other. And there was -- I think a sheriff deputy might have joined us. But we 23 24 were just all kind of like running in a line. 25 And then that's when I stopped, and I could -- I

7 looked up the trail, and I could see him. I could see the officers kind of trailing behind him. And I could hear him yelling and -- just yelling, just loud, just -- I don't even know what. He was just yelling stuff. And that's when I stopped, and I ran back to my car. And I passed Rob, and I said, "I'm going to go get my K-9. This is going to be a K-9 call." And, literally, right when I get back to my car, they -- I was getting my dog out. They said over the -- over the radio -- I could hear it over my earpiece -- that the suspect went into the woods. So what I -- I knew that to mean was then he went down into the woods towards the houses in between -- I quess the closest street would have been, like, Center Avenue and Whitney Avenue. And so I got my dog out. I went down the bus station steps into the Hamnett Park and Ride now because that's the direction -- I would have almost been, like, paralleling how this guy would have been going through the woods. 20 I'm running through the parking lot towards Center Avenue. 21 Now I hear over the earpiece, "Hey, the quy is now 22 going in the direction of where we first got him." That's now back inbound. 23 So I'm like, "Fuck." So I -- now I run back to my 24 25 car, up steps, put dog in car. And now I -- I get in my car,

8 1 and I drive inbound on the busway about halfway in between 2 Hamnett Station and where they initially got him, the steps --3 the gazebo steps, they call it. I parked my car. DETECTIVE JAMES GRILL: You parked on? 4 5 I was on the busway, yeah. SERGEANT BRIAN O'MALLEY: 6 If you go --7 DETECTIVE JAMES GRILL: You were up above, on --8 SERGEANT BRIAN O'MALLEY: Yeah. So I'm on the 9 busway, and I -- I parked right where -- on the busway, that 10 Linear Trail, there's a wall that starts, like a sound-barrier 11 wall. As soon as it starts to rise, that's exactly where we 12 usually jump over the wall when we get people hanging out on the trail back there, just because there's no wall there. 13 14 So I let my partner out, off leash. We're jump- --15 I jump over the wall, and we're -- literally, now we're running 16 back outbound on the trail because they said over the radio he 17 now reversed his travel again and he's heading towards the park 18 and ride again, meaning Hamnett Park and Ride. 19 DETECTIVE PATRICK MILLER: Where you just came from? 20 SERGEANT BRIAN O'MALLEY: Where I just came from. 21 So now I'm running back outbound in that same direction. 22 Well, as we're running, somebody put on the radio 23 he's running toward Whitney Avenue. Well, the way I'm running 24 is -- I'm running, literally, right towards Whitney Avenue. 25 And there's a tunnel that goes under the busway.

```
9
1
    It's called the Whitney Avenue Tunnel. Whitney Avenue goes
    right under the busway. And then there's a ramp that leads
2
3
    down from the Linear Trail to Whitney Avenue. I'm literally
4
    running in that direction. So that's sort of like -- I knew
5
    that I was above him and parallel with this quy.
6
               DETECTIVE JAMES GRILL: So you're still on the
7
    busway?
8
               SERGEANT BRIAN O'MALLEY: I'm still on the Linear
    Trail.
9
10
               DETECTIVE JAMES GRILL: Oh, you're on the Linear
    Trail.
11
12
               SERGEANT BRIAN O'MALLEY: I'm on the Linear Trail
13
    running outbound. The busway would have been to my right-hand
14
    side. And now that big sound wall -- now the sound wall and
15
    the busway right below it.
16
               DETECTIVE JAMES GRILL:
                                       Okav.
               SERGEANT BRIAN O'MALLEY: The woods are now on my
17
18
    left, the same woods that he cut through. Okay?
19
               So now I'm running. And then I get to the Whitney
20
    Avenue -- the ramp that leads down to Whitney.
21
               DETECTIVE JAMES GRILL: Is that the one that goes
22
    like --
23
               SERGEANT BRIAN O'MALLEY: Exactly. The diagonal
24
    one.
25
               And now I can hear screaming again, so I knew I'm
```

10 kind of like -- I'm above him now. I can kind of see maybe 1 2 what was going on. I hear a little bit of screaming. So I 3 hear the screaming, but I don't see anybody yet. I'm trying to look. And there's a railing. I go kind of up to the railing. 4 5 And I remember seeing -- there's a house -- there's houses on 6 both sides of Whitney. But there was a house right on the 7 corner. 8 DETECTIVE JAMES GRILL: Which side? 9 SERGEANT BRIAN O'MALLEY: It would have been -- if 10 I'm looking down Whitney Avenue from the Linear Trail, it was 11 right on the corner. 12 DETECTIVE JAMES GRILL: The left? 13 SERGEANT BRIAN O'MALLEY: The left. 14 Okay. And there was a black couple there. Male --15 I think it was a male and female. And they were looking -- if 16 I'm up here looking down Whitney, they were looking up Whitney 17 like to where the yelling was coming from. 18 DETECTIVE JAMES GRILL: Was it the first, second, third house? 19 20 SERGEANT BRIAN O'MALLEY: I think it was the first 21 one on --22 DETECTIVE JAMES GRILL: The first house on Whitney? 23 SERGEANT BRIAN O'MALLEY: Yeah. And I could hear --24 I could see them looking up to where the screaming was coming 25 from, and then I see them kind of look at me. And they're

```

    like, "Go, go, go. He's coming. He's coming."
                                                     They pushed
2
    themselves through the door.
3
               And then that's then I was like, "He's -- he's got
4
    to be close, " so I just started down the ramp.
5
               And I remember I leashed -- I hooked my dog up on
    a -- on a collar -- on a -- on his leash and just walked -- ran
6
7
    down the ramp.
8
               And then, boom, I could see -- I could see him now,
    and I could see the officers following. And he's now walking
9
10
    in my direction, but he's probably maybe 30 yards away, 40
1.1
    yards away. So he's walking towards me now.
12
               DETECTIVE JAMES GRILL: Is he in the street?
13
    Sidewalk?
14
               SERGEANT BRIAN O'MALLEY: He -- he was, like, in
15
    the -- he was in the street.
16
               DETECTIVE JAMES GRILL: In the middle of the street?
17
               SERGEANT BRIAN O'MALLEY: Yeah, he was in the middle
18
    of the street. Not walking down -- he was coming -- like
    diagonalling off towards what would have been my left now.
19
20
    And --
21
               DETECTIVE JAMES GRILL: Coming from the left to the
22
    right or from the right --
23
                SERGEANT BRIAN O'MALLEY:
24
                DETECTIVE JAMES GRILL: -- to the left?
25
                SERGEANT BRIAN O'MALLEY: So if I'm -- if I get to
```

```
12
1
    the bottom of the ramp --
2
               DETECTIVE JAMES GRILL: Okay.
3
               SERGEANT BRIAN O'MALLEY: -- that trail that I was
4
    on is now behind me.
5
               DETECTIVE JAMES GRILL: Correct.
6
               SERGEANT BRIAN O'MALLEY:
                                         So I'm looking up Whitney
7
             He's walking towards me, and he's kind of like
    Avenue.
8
    diagonalling towards the sidewalk on Whitney Avenue. It would
9
    have been the west side of the --
10
               DETECTIVE JAMES GRILL:
11
               SERGEANT BRIAN O'MALLEY: -- the street.
12
               And now he changes directions again, and he starts
13
    to go between some houses.
                                 So --
14
               DETECTIVE JAMES GRILL: On what side of the street?
15
               SERGEANT BRIAN O'MALLEY: On the left side of the
16
    street where I saw that couple.
17
               DETECTIVE JAMES GRILL: So he cuts in?
18
               SERGEANT BRIAN O'MALLEY: Yeah, he cuts in the cut.
           There's like -- there's a lot of space between those
19
    Yeah.
    houses. So he cut between the -- into one of those yards.
20
21
    he's still a considerable -- you know, that's still that 30
    yards, maybe, away.
22
23
               But I was like, "Cool," because I'm going to now --
24
    there was an opening where I could go through on the other side
25
     of the house to maybe, like, cut him off. So I start to cut
```

1.3 1 through one of the yards. 2 And then they said again -- he's changed back 3 directions again. Now he's coming back towards Whitney Avenue. 4 DETECTIVE JAMES GRILL: Now, when you say you went 5 into the yard, which side -- you followed on the same side? 6 SERGEANT BRIAN O'MALLEY: The same side as he 7 started to cut through, but I was, like, one house over. 8 DETECTIVE JAMES GRILL: Before him? 9 SERGEANT BRIAN O'MALLEY: Yeah. Like towards the 10 trail, one house over. So if he's here -- he cut through, 11 like, a big yard. Then there's a house. I was over here. DETECTIVE JAMES GRILL: Okay. 12 13 SERGEANT BRIAN O'MALLEY: So I was just going to, 14 like, parallel and meet over here somewhere. 15 DETECTIVE JAMES GRILL: Okay. Was that a vacant lot 16 that you cut through? Was it a bigger lot? 17 SERGEANT BRIAN O'MALLEY: Yeah. They're like --18 those houses are -- have a little bit of space, so ... They're yards. It's like -- where he started to cut through, I think 19 20 was a little bit bigger than where I was going to cut through. 21 DETECTIVE JAMES GRILL: Okay. 22 SERGEANT BRIAN O'MALLEY: And so they said he 23 reversed again. So then in the course of doing that, I -- they 24 said he reversed again, so I, like, ran back around. And now 25 what I did is I -- I kind of closed in a little bit our

14 1 distance where -- closer to that lot that he cut through. 2 And I knew -- when I came back around the front of 3 the house on Whitney, I could see that there was, like, some bushes or hedges that would -- kind of gave me some 4 5 concealment, so I ran up close to those. And I knew that he 6 would be emerging -- with those bushes right here, he was going 7 to be emerging out now back onto Whitney Avenue. Okay? 8 DETECTIVE JAMES GRILL: And your -- your back is to 9 the Linear Trail? 10 SERGEANT BRIAN O'MALLEY: Yeah. So now, like, my back is to it. So the Linear Trail is here; those bushes are 11 I kind of hunkered down. And now this dude -- the 12 13 suspect was going to walk back towards Whitney, which is right 14 here. The busway -- or the Linear Trail --15 DETECTIVE JAMES GRILL: Okay. 16 SERGEANT BRIAN O'MALLEY: -- being back here. 17 All right. So I could hear him yelling. And I 18 remember him saying, "Go ahead and fucking shoot me. Go ahead 19 and fucking shoot me." Now I could start hearing shit. 20 know, he just kept telling the guys, "Fucking shoot me. 21 Fucking shoot me." 22 So now I -- in kind of looking through the bushes, I 23 see him now. He's now going to be on, like, my left side. And as he starts back onto Whitney Avenue, I kind of take, like, 24 25 half a step out. And I -- I kind of have my leash in my right

15 1 hand, and I grabbed Aren's collar, grabbed him from behind. 2 And I -- we cal it "target acquisition" with the 3 K-9. You want him to be on whatever you're sending him to. I made sure that he saw the guy, saw the suspect. And he had 4 5 target acquisition because -- I know it because his ears -- now his ears kind of perked up and his -- he was looking at him. 6 7 The quy was probably -- maybe like 10 yards away. And I just 8 said -- I kind of said, "Watch him," and he started to whine. 9 Like I knew he knew that he was looking at the right quy. He 10 was looking at his target. 11 DETECTIVE JAMES GRILL: What's the term that you're 12 using that -- target acquisition? 13 SERGEANT BRIAN O'MALLEY: Yeah. It's -- it's just 14 trying to get, like, target acquisition. So you're not just 15 taking the collar off and giving his bite command. 16 DETECTIVE PATRICK MILLER: You don't want to send 17 him in blind. 18 SERGEANT BRIAN O'MALLEY: Yeah. You're not sending 19 him in blind. It's just, like, you want him to kind of be 20 looking at what you're sending him to, so in the right 21 direction. 22 So once he gave me that characteristic that I knew 23 he was locked onto this guy, that's when I said, "Police K-9. Stop." 24

And the dude just kept walking. And that's when I

25

16 un- -- unleashed Aren. I unhooked his collar, and I kind of --1 from the back, I just kind of pushed him off. And he went --2 3 he went downrange pretty fast. 4 DETECTIVE JAMES GRILL: Okay. Was he saying 5 From the time he emerged to the time you released, anything? 6 did you hear him yelling anything or saying anything to you 7 quys? 8 SERGEANT BRIAN O'MALLEY: I heard him shout -- he --9 he said, "I'll fucking kill that fucking dog." But he was still walking. He goes, "I'll kill that fucking dog." 10 11 Which I was kind of glad because I knew he didn't --12 he was walking and saying it, but he didn't, like, see which direction my partner was coming from. That's where I kind of 13 14 felt I sort of had the advantage to do a -- a nice takedown because he was going to be surprised when the apprehension came 15 16 So he didn't have any reaction time coming. 17 And I remember him saying it, but I was -- I'm like, 18 "I'm still good because he's kind of still walking." So then 19 Aren goes --20 DETECTIVE JAMES GRILL: Was your dog barking? Was 21 it --22 SERGEANT BRIAN O'MALLEY: He barked -- like, he kind of whimpered one time when I sent him, and then I just sent 23 24 him. And when they're running downrange, it's no bark. 25 DETECTIVE JAMES GRILL: Okay.

1 SERGEANT BRIAN O'MALLEY: They're just -- they're 2 just silent, but they're going in for the apprehension. 3 So kind of -- just as the quy sort of gets across the street, that's when Aren engaged him on his -- I think his 4 5 right -- or I'm sorry -- his left tricep area. And the guy 6 sort of, like, took, like, two steps forward. And then I could 7 see -- I could see a knife in his right hand. And then that's 8 when he spun. And he spun, like, backwards -- no, he spun 9 around. And as he's spinning, I'm seeing him. He's kind of like doing, like, a thrusting. I could see that he's -- you 10 know where the knife is going into Aren. 11 12 So then I saw Aren kind of -- he was up on two legs. 13 He was up on his hind legs on the apprehension. Then I could 14 see him kind of go down to all four legs and he disengaged. And -- but I could now see now the guy. 15 Now he's --16 DETECTIVE JAMES GRILL: How many -- how many strikes 17 did you see him --18 SERGEANT BRIAN O'MALLEY: It was like -- I think I saw it twice into him while he was on the apprehension, like 19 thrust back towards him. And then when Aren went from two legs 20 to four legs -- he's now off the bite -- I could see him now 21 22 spinning. Now he's -- now he's now progressing back towards 23 us, and he's just, like, thrusting at him, at my dog and --24 DETECTIVE JAMES GRILL: Do you know how many

times -- after the dog broke free, how many times you saw him

25

hit the dog?

SERGEANT BRIAN O'MALLEY: It was like maybe one or two more times. It was coming from, like, Aren's -- it would be like -- like this side of his face.

And that's when I -- I saw him. I mean, his arm was out, and he -- now he spun towards us. And from where I was now, that's when I just -- I took my pistol out, and I just -- I just fired. And I remember firing and just watching him just -- I followed him down to the ground and stayed on him when he was on the ground, and then I just reholstered. And then I looked for my dog, and I couldn't find him anywhere.

So I hear -- I heard -- like when we went down, I hear, like, just a shot and then one -- the shot. And then I reholstered.

And then I'm looking for my dog, and I don't see him. I hear a couple of the officers that were off to my left start to say, "Whoa, whoa, whoa." And I kind of like looked backwards, and I see Aren kind of just spinning around in a circle. And my fear was -- I didn't want him to go into a panic mode and -- and bite one of the officers that might be there because he was -- I didn't know if he was injured or what. So I heard, you know, "Whoa, whoa, whoa," and I quickly, like, looked over. And I said, "Aren, platz," which is his "down." It's -- it's German for "place." I said, "Platz. Platz." And he started to go down. I could just see, like, a

```
19
    stream of blood coming from his mouth. And so I knew,
 1
 2
    obviously, he was injured.
 3
               So at that time, I just walked over. I kind of
    scooped him up. And Sergeant DiPippa got on scene, and we just
 4
    scooped him in the car. And then that's when he rode me to
 5
 6
    the -- we -- we were on our way to PVSEC, the vet hos- -- the
 7
    trauma hospital.
 8
               DETECTIVE JAMES GRILL: Who took you?
 9
               SERGEANT BRIAN O'MALLEY: Sergeant DiPippa.
                                                             Rob.
    The guy who I was following up out on the busway.
10
11
               DETECTIVE PATRICK MILLER: How many times did you
    fire, if you -- if you remember?
12
13
               SERGEANT BRIAN O'MALLEY:
                                          I -- I think it was six
14
    times.
15
               DETECTIVE PATRICK MILLER: Okay.
16
               SERGEANT BRIAN O'MALLEY:
                                          That's -- that's when I
17
    left.
           I was gone from the scene.
18
               DETECTIVE PATRICK MILLER:
                                           Right.
19
               SERGEANT BRIAN O'MALLEY: We -- we drove to the
    hospital. And he -- he just died. I mean, he was bleeding too
20
21
    much from his mouth.
               I just -- I mean, I just remember hearing things on
22
23
    the radio. I remember Tommy saying at one time -- and I
    don't -- I don't remember when it was, if it was when I was --
24
    I think it was when I was running down the trail.

starting to get pretty gassed from running through the lot. I was running back down the trail towards Whitney. hearing OC was used and Taser was used, and that's -- that's all I remember hearing. But I don't know when they did it, or what, or who did it. I just remember hearing at some point that the OC and Taser was used. And that's when I ended up at the top of the trail -- or the top of the -- the ramp, the Whitney ramp. DETECTIVE PATRICK MILLER: So you kind of knew going with the dog that he -- they're -- they're using alternate means to subdue him, and it's just not working. SERGEANT BRIAN O'MALLEY: Yeah. That's when I -- I mean, it was like -- I was just thinking in my head. like -- I was like, "What the hell is going on that this guy -something is going on. I mean they're using Taser -- Taser and then OC, but then he's still moving around." You know, I'm like -- so that's why -- I mean, I'm just glad I had Aren. Ι was like, "Okay. Then this is going to be a K-9 -- a K-9 apprehension, so... DETECTIVE JAMES GRILL: Did you hear that on the radio, or did you hear the guys yelling? SERGEANT BRIAN O'MALLEY: No. I heard that on the I -- I have an earpiece, so I heard it in my earpiece. I just -- I don't remember if it was when we were driving up from Hamnett to where we jumped out over the wall or when we

     were kind of running down -- back down the trail.
                                                        It was
     somewhere in that time I remember hearing that Taser and OC was
 2
    used -- "to no avail" I think was the actual words.
 3
    remember -- I know Tommy said it. Tommy -- Officer Adams.

                DETECTIVE PATRICK MILLER:
                                           DiPippa. D-i-P-i- --
 6
                SERGEANT BRIAN O'MALLEY:
                                          Yeah. D-i-P-i-p-p-a.
 7
               DETECTIVE PATRICK MILLER:
                                           I got it right.
 8
               DETECTIVE JAMES GRILL: I did too. I usually don't
 9
    get it right.
10
               All right. How you doing?
11
               SERGEANT BRIAN O'MALLEY: I'm just hurting, man.
12
               DETECTIVE JAMES GRILL: Yeah.
               SERGEANT BRIAN O'MALLEY: I mean, it was a rough
13
    night last night. I went into where he sleeps and shit and, I
14
15
    mean, I'm smelling his blanket and stuff, so...
16
               I mean, I just beat myself up because -- I mean,
    I -- I've been through all the -- the K-9 stuff with combat
17
    casualty care with dogs and with -- with the humans and shit.
18
    And I just couldn't get his bleeding stopped.
19
20
               DETECTIVE JAMES GRILL:
                                       Yeah.
21
               SERGEANT BRIAN O'MALLEY: And it was in his mouth,
    and I just was -- literally, I'm trying to put my hands in a
22
    hole. Because I knew he was stabbed somewhere. I didn't know.
23
    I was trying to put my hand in a hole, my fingers in a hole to
24
25
    plug something. I mean, I got my combat gauze on me and shit.
```

22 1 And I remember yelling to Rob -- I'm like, "I can't get" -- literally, his blood was just pouring out. So I tried 2 to cup his snout and just calm him. And then he just started 3 throwing up, and it was that deep red blood. 4 5 DETECTIVE PATRICK MILLER: Yeah. 6 SERGEANT BRIAN O'MALLEY: I mean, my -- I was just covered in it. It was frustrating because I just -- I mean, he 7 I knew he sunk down because he just -- I lost him. 8 9 I just couldn't get the freaking bleeding stopped. I reached my hand in his mouth, you know. I mean, I couldn't -- I knew 10 something wasn't right because there was a lot of blood and --11 but, yeah, it's just fucked. 12 13 DETECTIVE JAMES GRILL: I'm sorry. 14 SERGEANT BRIAN O'MALLEY: I mean, it is what it is, 15 It fucking sucks. man. 16 DETECTIVE PATRICK MILLER: Can you think of anything 17 else? 18 DETECTIVE JAMES GRILL: No, I don't think so. 19 DETECTIVE PATRICK MILLER: Kevin, do you have any 20 questions for us? 21 MR. ABRAMOWICZ: 22 SERGEANT BRIAN O'MALLEY: I don't. Man, I mean, it was -- it's all good. Fuck it. 23 24 DETECTIVE PATRICK MILLER: All right. Well, this completes Sergeant O'Malley's interview.
